Strategy Consulting

Novus Origo delivers a breadth of strategy consulting services designed to help our clients evaluate, plan, and implement successful strategic objectives which drive business excellence throughout an organization. Whether you are looking to improve processes, expand existing operations, or refocus on delivering your core capabilities, our proven methodologies focus on the critical dimensions of a business strategy designed to help your organization succeed.

❖ Analysis and Strategy Development	❖ Scenario Development and Assessment
❖ Business Case Development & Alignment	❖ "Present State" & "Future State" Analysis
❖ Insourcing & Shared Services Analysis	❖ Merger & Acquisition Management
❖ Governance Implementation	❖ Transformation Planning & Leadership
❖ Change Management & Alignment Planning	❖ Communications Planning & Support
❖ Organizational Design	❖ Training & Mentoring Services

Outsourcing Consulting

Novus Origo offers Outsourcing Consulting Services designed to help clients in the assessment of alternative Service Delivery Models (Outsourcing, Insourcing, and Shared Services). We work with clients to determine the effectiveness of existing business functions; evaluate the costs and benefits of various service delivery models, and assist in the selection, transition and management of a service provider, and provide guidance in vendor consolidation efforts.

❖ Service Delivery Modeling	❖ Contract Review and Negotiations
❖ MSA/SOW/SLA Review	❖ Deliverables Review
❖ Due Diligence Review	❖ Contract Optimization
❖ Service Provider Selection	❖ Roll Out Strategy Review
❖ Implementation & Transition Management	❖ Knowledge Transfer
❖ Transition Exit Strategy review	❖ Service Stabilization
❖ Issue & Dispute Resolution	❖ Service Level & Performance Monitoring
❖ Risk Management & Mitigation	❖ Vendor Management & Consolidation
